THE LEAF

PARK
HOSPITALITY

THE LEAF EVENT SPACE

Canada is a garden of cultures living in harmony and thriving together. Book your corporate event at The Leaf – Canada's Diversity Gardens, our awe-inspiring venue where all kinds of connections grow. Host corporate events, parties, meetings or workshops in this unique shared experience at The Leaf. With experienced staff and this truly unique venue there is no better place to host your corporate event.

Park Hospitality is Assiniboine Park's trusted on-site banquets and catering partner. We work closely with you to support the planning and execution of seamless meetings and events. Our diverse range of venues can accommodate gatherings of all sizes, whether you're hosting a board meeting, conference, company celebration, team-building event, or client reception, with flexible spaces tailored to your objectives and event requirements.

TIMING

The Leaf banquet venue spaces on the second floor are available for events taking place throughout the day and evening. The Leaf Tropical and Mediterranean Biomes are available for private events. *Limited availability.*

FOOD

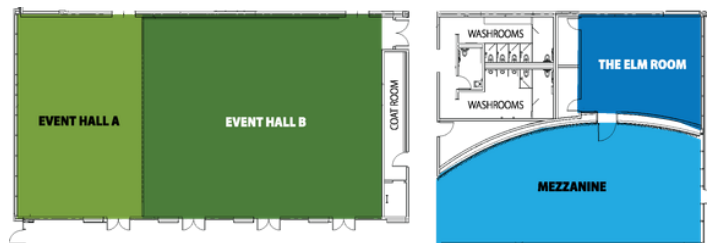

Whether you're having an informal staff event or a gourmet company dinner, our in-house catering team will work with you to create a menu that will please every palate. All food is supplied, prepared and served by the Assiniboine Park Conservancy. *Please see menus on our website for food and beverage options.*
